CARTE POSTALE. POSTKARTE

The Market Place, Farringdon, is an open space, triangular in shape, surrounded by old-fashioned and quaint buildings, including the Volunteer Inn and the picturesque old Town Hall. Farringdon is a town of considerable antiquity. It was a *villa regia* in Anglo-Saxon times, and Edward the Elder died here in 925. It possesses an interesting church (Early English) with monuments and brasses of the fourteenth, sixteenth, and seventeenth centuries.
